### **THE RECOMMENDED 3 HOUR RULE**

*I make a motion to eliminate the 3-hour recommendation per day for service work.*

*The recommended 3-hour per day for trusted servants should be eliminated. Under 90 days yes, a **SUGGESTION**. There are no rules in Alcoholics Anonymous but there those who think this is a rule. What are we to do when trusted servants don't show up? Just stop the meetings? What are we to do when there are "HOLES" in the schedule? An ideal meeting has 2 security, a chair and a Host. As it is now, we're lucky to have a host and a chair. this 3-hour recommendation is going to leave many spots that will need to be filled. There are trusted servants who give up parts of their day just so we can have a meeting. Sometimes there are over 100 participants during the morning before work meetings. And I fill in where fill in is needed. That's what service work is.*
