**Old Business**

- Motion to approve recording select Speaker Meetings  
- Liz P | NY

- Mistydawn seconds

Richard T - Preamble, newcomers, etc would remain, the same, once the lead starts the button is pushed to start recording. No screenshots squares / audio only. Speakers would have info ahead of time regarding anonymity. If it goes through would sort out where the recording live.

Robbie - Message of hope for alcoholic. Might log off if they got a notice saying meeting was being recorded.

Robert B - Point of interest is to get circuit speaker or to be doing for our regular speakers. As long as it's not done for money he's fine.

Mistydawn: would be helpful for book studies / series

Sarah B - Interested in concept of prestige impacting the message. If we could make it petty, we could. Needs to understand how it would be executed in terms of discovery and storage

Nancy - Does speaker have a choice - yes. Lazy way for folks to catch meeting. Can we customize the screen. No not without an enterprise licence.

Sue - Can we be specific that the recording is of the speaker only? If we could modify it, it would be great.

---

---

Lindsey - My only concern is about people hearing that they are being recorded. People may not know what a speaker is.

Evie - Hairy. Sharing ESH on this subject. Did a meeting that had recordings and got a lot out of it. This idea gave her homegroup the idea of taping big speaker meetings. Record speaker meeting

Simon - Weirder out by celebrity prestige thing.

David the Fish - trying to explain to newcomers that the meeting was being recorded - asks people if they are

Mark - attends two meetings that are recorded on Zoom and have archives; doesn't go to the archives since he doesn't miss the meetings. Offer recordings by date and time rather than name. Schedule would help people know who was speaking when.

Big Bob - Ambivalent about it. AA Unity - are we trading unity for the fact that we can do a recording. Who is going to vet a speaker that will go on the website?

AnnaCate -

Motion to call vote -  
13 yes / 1 abstain / 42 no

Motion fails

---

**New Business**

- Motion to approve the book "The Language of Letting Go" for use on the Platform
  - Has been turned down several times
  - Mistydawn first / Big Bob 2nd

Simon: Ambivalent. Book gets used on a daily basis even though it has not been approved. If it does not get approved, the meetings that use it should be shut down.

Evie: Personally identifies with this. Doesn't see it as about codependency but as part of alcoholism. Wants to see book

---

---

as what we get out of it. Get a lot out of the book. Outside issues kill people. Losing this book breaks my heart and scares me.

LG: There have been multiple complaints about this book being used. Chairs can recommend this book to people for their own personal use.

Mark: we already use a lot of stuff that is not necessarily AA. If we read in the history and traditions - our primary purpose is on alcoholism. Danger of going to far off what

Robert:

Sarah:

Yvette: Believe that people can connect on outside issues in other ways. Can avoid a lot of dispute and banter by saying no.

Stacie: Did not know what the topic was and rambled

Mistydawn: The reason why I don't consider this an outside issue is that we are a 24/7 platform and we have a new meeting every hour. Do you want to read the daily reflections 5 meetings in a row? We reach out to aget s

Liz: explained literature

Sue: likes book / has meeting on it

23 yes / 2 abstain / 27 no

**Welcome** Lindsay G, Chair - call to order @ 11:08 AM

---

**Opening Prayer** John F MN

---

**12 Traditions Reading** Scooby

---

**Tradition of the Month** Roy, Co-Chair  
***2nd Tradition:** For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.*

---

**Old Business**

**Motion to hold an aaHG group inventory with outside facilitator** (Lindsey G, chair)

- Last group inventory was in 2020; an outside facilitator can stay neutral and objective and can more easily facilitate the process

**Motion:** Lindsey G / Second: Katy F / **Carried (40 yes / 0 abstain / 2 no)**

As this motion has been carried, the Chair will start the process of finding a facilitator and welcomes any recommendations for an outside facilitator. Please email any questions, concerns or info to chair@aahomegroup.org

---

**New Business**

**Motion to address how platform addresses outside issues (John F MN):**

*“If it does not happen in the meeting or in our aaHG chats (service, creds, security, fellowship, etc.) it is not typically in the purview of aaHG to comment or make decisions. Decisions on outside platform issues can be considered and reviewed by the security and/or steering committee on a case-by-case basis when they rise to the occasion of physical threat, predation/stalking, financial coercion, or singling out an individual for harassment after this grievance or concern is brought to the committee’s attention”*

Background: Our current purview is that our Steering and Security Committees will not address anything happening off platform. It has come to our attention that there have been situations that have been borderline. Per the AA Safety Pamphlet, we are asking for guidance from the Group Conscience on whether or not we should address these issues, following the language presented above.
